As we approach the upcoming election, the Washington County Law Enforcement Council wants to reaffirm our commitment to supporting the right of individuals to gather peacefully and exercise their First Amendment rights. Peaceful assembly is a fundamental pillar of our democracy, and we are dedicated to safeguarding this right for all members of our community.

At the same time, we must emphasize our strong condemnation of any form of political violence, rioting, or vandalism. These actions will be met with appropriate legal action to maintain peace and order. Individuals or groups found breaking the law during this election season will be held accountable.

We are dedicated to establishing a safe environment for everyone during this important time. We ask everyone to join us in this commitment, ensuring that our communities remain a place where all voices can be heard without fear or disruption.
