### New Volunteer Victim Advocates

On 02/27/18 Beaverton Police Department graduated 9 new Victim Advocates from our Victim Advocate Training Academy. The advocates were given 45 hours of training over a five week period to prepare them for their role as Victim Advocates.

Victim Advocates respond on police calls, along with officers, to provide support, information, and resource referrals to victims. Our Victim Advocate program was started in 2013 as a way to better meet the needs of victims in our community. Since the inception of the program our Victim Advocates have helped hundreds of citizens and are used as an additional resource tool for patrol officers.

Beaverton Police Department is excited to add our 9 new graduates to our current amazing team of Victim Advocates.
