Released: April 23, 2018  
Case No: N/A

### Traffic Safety Mission

On April 23, 2018, our traffic safety team conducted a crosswalk/pedestrian safety mission at SW 125th/ SW Fanno Creek. The traffic team focused on drivers who did not stop for a pedestrian in the crosswalk. As a result of the mission, seven citizens were invited to come to our crosswalk diversion class.

Crosswalk rules can be confusing depending on the type of intersection. Beaverton Police Department teaches a one hour crosswalk diversion class, which once completed allows the dismissal of the citation. Please always watch for pedestrians in crosswalks.
